children registered in the document of renouncement of nationality have a Document on the

Use of Recognized Rights by the Turkish Citizenship Law (Article 7 of the Turkish Citizenship

Law no: 5901 states the following: “(1) Children who are born during the marriage of a Turkish mother or father in Turkey or abroad are Turkish citizens.” and the candidates abroad to apply to admission quotas are advised to view the Turkish Citizenship Law.),

3) Foreigners who have had the right to the certificate of naturalisation of the Turkish Republic as citizens / those who have dual nationality under similar conditions,

4) a) Turkish students who attended secondary schools abroad before the date of 01/02/2013, including those who have completed the last three years of their secondary school (high school) education in a foreign country except for Cyprus and those who have completed their whole secondary school (high school) education Turkish schools under the supervision of the Ministry of National Education (MoNE) in a foreign country except for Cyprus)

b) Candidates of foreign student admission quotas who started secondary school education abroad after the date of 01/02/2013, including those who have completed their whole secondary school (high school) education in a foreign country except for Cyprus and those who have completed their whole secondary school (high school) education Turkish schools under the supervision of the Ministry of National Education (MoNE) in a foreign country except for Cyprus)

5) Cyprus citizens who were registered at and attended private schools and high schools in other countries between 2005 and 2010 with GCE AL examination results or those who will receive such results,

6) Cyprus citizens who were registered at and attended private schools and high schools in other countries between 2005 and 2010 with GCE AL examination results or those who will receive such results,.

The following applicants can not apply:

1) Turkish students who have completed their whole secondary school education in Turkey or in Cyprus,

2) Cyprus citizens (except for those who have completed their whole secondary school education (high school) in Cyprus high schools and have received GCE AL results and those who were registered at and attended private schools and high schools in other countries between 2005 and 2010 with GCE AL examination results or those who will receive such results),

3) *Those who have dual nationality, the first of which is Turkish by birth as stated in Article a, clause 2 (except for those who meet the conditions stated in Article a, clause 4)

4) Those who have dual identity, one of which is Cypriot, except for those who have completed their whole secondary school education (high school) in Cyprus high schools and have received GCE AL results and those who were registered at and attended private schools and high schools in other countries between 2005 and 2010 with GCE AL examination results or those who will receive such results),

5) Turkish citizens who attend schools in Turkey under the supervision of embassies and foreign high schools in Turkey or those who have dual identity, the first of which is Turkish by birth, as stated in Article a, clause 2.

3. DATES OF APPLICATION

21 - 25 September 2022	SÜYÖS-2022 Application
------------------------	------------------------

4. APPLICATION PROCESS

- Candidates will apply on the application link <https://suyos.selcuk.edu.tr/> via uploading the required documents and information till 25 September 2022 at 17.00.

- Only the online applications are accepted in the additional placement process. Other way of applications will not be accepted (post, e-mail, face-to-face).

- It is required for the candidates to have 2021 or 2022 Selcuk University Exam For Foreign Students (SÜYÖS 2021 or SÜYÖS 2022) to have the right to apply for the additional quotas. **Candidates not having a valid SÜYÖS-2022 or SÜYÖS-2021 score can apply with a valid YÖS (face-to-face exam) score for 2022 by State Universities.** The candidates having SÜYÖS-2021 or SÜYÖS-2022 score will have first priority in replacement. After replacement of candidates with SÜYÖS-2021 or SÜYÖS-2022 scores, candidates having other YÖS score will be replaced to the quotas left.

-Candidates are supposed to upload all the required documents in full and correctly during the application process. Incomplete and incorrect applications will be disregarded.

-Candidates are supposed to upload **2022 YÖS Exam Result Document** on the application link. Candidates should the originals of these documents, since they will be handed on the final registration. If the uploaded document and the original of these documents are found to be different at the final registration, registration will be rejected. **The YÖS document without QR code or verification code uploaded on the application link will not be taken into consideration and evaluated.**

- A Biometric photo taken recently (in the last 6 months) is required to be uploaded. **If the required photo is not uploaded on the system in the desired way, application will be invalid.**

-Candidates have the right to make 10 selections. During selection, students should rank their choices with care since **replacement will be made via order of choice.**

- **Candidates are supposed to fill the forms carefully, since once the online application was completed, no correction and change are allowed to be made.**

Applicants of students who have made an application more than once and have more than one user name shall be considered invalid.

If they make a mistake during the application process, applicants should send mail to suyos@selcuk.edu.tr.

Applications of the candidates who have only filled in the application form, but have not uploaded the required documents to the system, shall be considered invalid.

- If the candidates have the same scores, the younger candidate will have the priority to be replaced. **So, the incorrect birth of dates declaration will end in rejected application.**

- Applicants are supposed to declare their YÖS score on the application system **as it has already been written on their documents without rounding off the score or converting**

it into another score system. The application will be rejected if the YÖS score on the document does not match with the score declared on the application system.

- Quotas for the programs at Selcuk University that are approved by Council of Higher Education can be seen on the table. Candidates can make their selections from the programs on the table.

- Mail us for your questions about the application process and to get more information on suyos@selcuk.edu.tr.

- Students who have registered to a program before are not allowed to apply for the additional placements.
