

SELÇUK UNIVERSITY

2020 INTERNATIONAL STUDENT SELECTION EXAM

(SUYOS-2020)

PREFERENCE GUIDE

1. GENERAL INFORMATION, BASIC PRINCIPLES AND RULES

- This guide covers the processes and terms for preference procedures of students coming from abroad to study at Selçuk University in the 2020-2021 academic year.
- Only Turkish is used as the language in the communication (e-mail, mail, fax, etc.) between the SU Coordinatorship for Foreign Student Selection Examination and candidates.
- SUYOS Coordinatorship is not responsible for the incomplete and incorrect contact information provided by the candidate during communication, and for the malfunctions caused by delays and errors in communication tools (mail, internet).
- Results of the Foreign Student Selection Exam are only for students who want to study at associate and undergraduate level. Transition (transfer procedures) of those who are studying at a higher education institution to Selçuk University and the procedures of those who want to study in Selçuk University graduate programs, are outside the activity-area of SU Coordinatorship for Foreign Student Selection Exam.
- SU Coordinatorship for Foreign Student Selection Exam does not deal with the procedures such as students' accommodation, scholarship, subsistence, and residence permit in Turkey
- The processes and provisions in this guide can be changed if required by the decisions of the Higher Education Council. In this case, the path to be followed is determined by SU Coordinatorship of Foreign Student Selection Exam. In cases not mentioned in this guide, procedures are made according to the decisions of SU Coordinatorship of Foreign Student Selection Exam.

The SUYOS-2020 preference guide will not be printed or distributed. The SUYOS-2020 preference guide can only be accessed online.
